

FINCA ELEZ CRIANZA

A great wine that is known for its excellent relationship between quality and price. It won twice a silver medal at Vinalies Paris and recently won a mention in Decanter. It is a mixture of Cabernet Sauvignon, Merlot and Tempranillo. It is noticed by its fruit (plum, cherries and taste like raspberry) and spices, aromas that remind us of thymes, rosemaries and savins from the Elez Property itself. It has an ample and noticable fruity taste and sweet tannins. It tastes like cacao and toffees. Well balanced fruity wood.
